

## **FSCC Minutes**

## **Monthly Meeting**

**July 14, 2025**

**Officers Present:** Jennifer P., Debbie W., Paul L., Lisa K.

**Chairs Present:** Jennifer P., Brooke B., Macy L.

**Call to Order:** 7:00 pm

**Approve May Minutes:** Motion to approve by Jennifer Parker. Second by Brooke Busbee. Third- Paul Lankes.

**President:** Nothing new to report. Wants to set a date for August meeting.

**Vice President:** Nothing new to report.

**Treasurer:** Would like to onboard an electronic bookkeeping method to set up going forward for success in the future. All in agreement that this is a good idea.

**Secretary:** Has received a copy of the club's insurance certificate from USFSA. Will bring a copy to Kyle to keep at the rink.

**Test Chair:** Lots of tests have been taken and the club could have made a lot of money. Will need to figure out how to set up our own test session. Also on to-do list is to create a pdf for families on how to sign up/request permission to test forms. Possibly put together a list of clubs doing tests in the next few months and maybe help skaters sign up.

### **Membership:**

153 members (new and returning). Need to get pins to new members at rink instead of mailing them this year due to damage from mailing. If anyone has any issues with the system, please refer to Brooke.

**SkateSafe:** No updates.

**New Business / Events:** Find out from new members if they have any suggestions that they have seen other clubs do. Consider another winter outing to Whitewater Center or Knights Stadium.

Look into doing a “Club Ice” possibly monthly or quarterly.

Meeting of board members next month- will send out text to try to decide upon a date.

**Next Meeting:** Monday, September 8th 7:00 pm

**Adjourn:** 7:22 pm
