- Skaters must skate with the flow of other skaters and familiarize themselves with the most commonly used areas for jumps and spins. If a skater is unsure, please consult a coach for guidance.
- The only time a skater has the **SOLE** right of way is when they are skating their program to music **WITH** the yellow or green belt. When you hear another member's music, please extend that skater the courtesy and move out of their path momentarily. This only takes a moment and you will enjoy the same courtesy while you are performing your program.
- Advanced skaters are expected to exhibit patience toward beginner members of the club. Remember, you were an inexperienced skater once, and it takes time for our future generation to advance to the point where they are completely comfortable skating with all levels of skaters. Skaters safety is the main priority please note that unsafe or discourteous behavior of any kind will not be tolerated.

The following is to be used as a general guideline of the flow while on a freestyle session:
